JUSTICE FOR MARK DUGGAN

We pledge our support and solidarity to the Family of Mark Duggan, who was shot and killed by police marksmen in 2011.

The Inquest jury concluded on Wednesday (08.01) that Mark was “lawfully killed”.

We say: This is a perverse judgement!

“The jury found that he had no gun in his hand – and yet he was gunned down. For us that is an unlawful killing” – The Duggan’s solicitor
